Dear Mr. Cai

We are happy to have had the opportunity to host you, and the delegation from SAIL and its subsidiaries. We feel that this week that we have spent together was interesting and efficient towards meeting our mutual goals. We hope that you feel the same way.

We would like to kindly remind you to address through us any and all communications with the companies and projects introduced by us.

We look forward to the next step of our collaboration and, as agreed, we will send you a draft memorandum of understanding in the coming days.

Best regards,

Ehud Barak
